

Discover a Career In Scuba Diving And Be Transformed!

PADI Instructor Development Course with Ross Guzman

V8.02

CHALLENGES FROM DAY 1,

Challenges in the IDC does not begin
In the first day of the course but
From the time you decide to take it.

Prior to IDC, Candidates are required to:

1. Read and answer knowledge reviews of the 17 independent study section of the IDC Candidate Workbook
2. Review, Self Test and Research the Dive Theory Topics of the Divemaster Course using the Encyclopedia of Diving and the Diving Knowledge Workbook.
3. IDC Candidates also need to present their Diving Log book with a **minimum of 100 dives** in the beginning of the IDC

Real Skills for Real World Teaching

During the IDC, we will upgrade your Diving Skills to a polished demonstration quality that you'll need as an instructor, you will also learn to create and execute flawless **Knowledge Development Presentations, Confined and Open Water Teaching Presentations** plus a review of your **Rescue** skills, with **ROSS** devoting the maximum time in mentoring you in teaching fun and safe diving. You will have as many practice sessions necessary to ensure competence and self confidence.

This is Just the Start!!!

After successfully completing IDC/OWSI, you will be eligible to take the **Instructor Exams**

The IE, is a 2-3 Day Program Conducted by PADI to check your level of competency in teaching PADI Courses. After passing the IE, you will be eligible to teach and certify divers. It also qualifies you to enroll in a PADI Specialty Instructor Course, or in any the PADI Continuing Education Instructor Courses.

Ross Guzman,
a **PADI Course Director** and
Instructor Trainer, will personally
Coach you Teach
**Safe and Comfortable
Diving**
